

XeonBD receives Leadership Award

SCITECH REPORT

Bangladeshi technology firm Xeon (ZEE-on) BD received Brand Leadership Award by World Federation of Marketing Professionals.

Indian marketing organization CMO Asia provided the award at Bangladesh Best Master Brand Award as appreciation for outstanding brand development.

XeonBD Chief Executive Kazi SM Nazmus Saqib received the award at function at Radisson Blu Dhaka recently.

Nazmus Saqib said the recognition appreciated the team XeonBD for its continuous hard work and serving the tech industry with its innovative solutions and services.

The awards seek to identify and celebrate outstanding brand building & marketing by organizations, individuals and teams.

The resource personnel working in the company have been consistently providing reliable support services and consultancy to a wide variety of corporate houses either in the capacity of executive or as business partner or consultant.
